Reference: Request for Evaluation – Santa Maria Catholic University, Arequipa, Peru

It is a pleasure to write to you for extending greetings and inform that six engineering programs of Santa Maria Catholic University (Universidad Católica de Santa María, UCSM) are requesting ABET evaluation in cycle 2018-2019.

The programs requesting evaluation and the corresponding program criteria are:

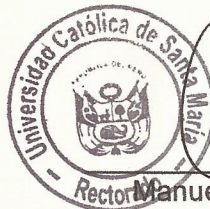

Program	Program Criteria
• Mechanical Engineering	• Mechanical Engineering
• Mechanical-Electrical Engineering	• Mechanical Engineering
• Mechatronics Engineering	• General Criteria
• Industrial Engineering	• Industrial Engineering
• Systems Engineering	• Systems Engineering
• Electronics Engineering	• Electrical Engineering

The ABET Readiness Review Committee has recommended the submission of the 2018-2019 Request for Evaluation for the aforementioned programs. Enclosed there are the documents supporting the Request for Evaluation.

I will appreciate your confirmation of the reception of the Request for Evaluation to the following e-mail address: [amc@ucsm.edu.pe](mailto:amc@ucsm.edu.pe)

I extend the assurances of my highest consideration and respect.

Sincerely,

Rector **Manuel Briceño Ortega, PhD**  
President
